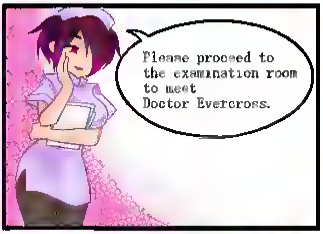
The Doctor

Cr-creak...

Ah!

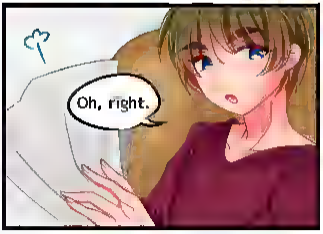
Mister Oliver.

A patient!



Please proceed to the examination room to meet Doctor Evercross.

A young boy...?
Did I go to the right place?
yawn~
aww



Oh, right.

Six Days

Are you really the Doctor? You look too young, and you're not really dressed like one...
Don't you like my trendy outfit? Of course I'm the Doctor!

Anyway! I took the liberty of getting your prescription. You'll need to take one of these pills every day for the rest of your life

But Doctor...
There's only 6 pills in this

Operation

Doctor Evercross
it's time for the operation
Is he playing video games?

Oh, right!
Don't you worry, Mister!
It's natural to be nervous on your first time!
In fact, it's my first time too!
Y- Your first time?

Feel free to put him to sleep, Nurse. And after that, please Google "How to perform surgery in the chest area."
